EDUCATION

Brigham Young University, Fulton College of Engineering	Provo, UT
<i>Master's Program in Applied Fluid Mechanics in Mechanical Engineering</i>	Apr 2028
- Major GPA 3.44 / Overall 3.37 - Graduated from BYU with a BS in Mechanical Engineering - McVea Exxon Engineering Scholarship - BYU FSAE Formula E Competition Team	

PROJECTS / RESEARCH

BYU FSAE Formula E	Provo, UT
<i>Powertrain Team Lead / Tractive Battery Capstone Team</i>	Sept 2023 - Present
- Orchestrated a group of 10 undergraduate engineers to construct a working powertrain - Developed models using FEA to calculate stresses and heat transfer on critical components	

STOL Hoverfoil Research	Provo, UT
<i>Researcher</i>	June 2026 – Present
- Modeled and tested 3D hydrofoils with underwing air injection in CFD to generate data on lift and drag - Created Data comparison programs to easily plot and present the data collected	

Thermal Spectroscopy Research	Provo, UT
<i>Laser Operations / Manufacturing</i>	Aug 2024 – Mar 2026
- Operated three high-powered lasers to test the heat diffusivity of materials - Conducted hundreds of experiments to best understand our equipment and perfect our technique - Organizing data and information to be easily read and understood by outside personnel	

EXPERIENCE

Wencor Group	Provo, UT
<i>Engineering Assistant Intern</i>	March 2025 – June 2026
- Worked jointly with six engineers, distributing tasks and dividing workloads strategically - Assembled and organized data into packages for customers to easily understand the product	

Handel's Ice Cream	Orange County, CA / Utah County, UT
<i>Assistant Manager / Catering Lead</i>	Aug 2018 – March 2025
- Represented the company at over 100 weddings, parties, and networking with new clients - Time management of work hours given to 25-35 employees	

Advanced Civil Group	Aliso Viejo, CA
<i>Surveying Assistant</i>	July 2023 – Sept 2023
- Quickly and accurately using expensive measurement equipment on construction sites - Waking up as early as 4:30 am and arriving at work sites before construction started	

VOLUNTEER EXPERIENCE

Sarah's Pantry / Family Assistance Ministries / LB Homeless Shelter	Orange County, CA
<i>Food Organizer and Server</i>	Sept 2016 – December 2022
- Organized over 500lbs of food weekly for people to readily access when needed - Cooked and served food at a homeless shelter in Laguna Beach, CA	

AWARDS, SKILLS & INTERESTS

- Proficient in Spanish - High School All-Academic Team (Football and Soccer) - Eagle Scout Award - I am passionate about cars and learning to fix and maintain them - Selected from my high school to represent us at a statewide political camp called "Boys State"
